

Composting Guide

Below is a list of items that can be composted at Loyola University Maryland. Because we use a commercial composter, this list may include more items than what a typical person is able to compost at home.

Current Locations with Composting: Boulder Garden Café

What CAN be composted?

- | | | |
|-------------|-------------|------------------------|
| Fruits | Eggshells | Tea Bags, Coffee |
| Vegetables | Bones | Grounds |
| Meat | Cheese | Greasy Pizza Boxes |
| Shellfish | Baked goods | Greenware Plastic Cups |
| Rice, Pasta | Cardboard | Boulder Take Away |
| Beans | Napkins | Containers |

What CAN'T be composted?

Liquids, Plastic, Styrofoam, Glass, and Aluminum
