

Recycling Guide

Below is a list of items that can be recycled at Loyola University Maryland. Because we use a commercial recycling center, this list may include more items than what a typical center is able to accept.

Paper

Including... newspaper, phonebooks, boxes, corrugated cardboard, notebooks, cartons

How to recycle?

No food/grease contaminated paper

Glass

Including... bottles and jars

How to recycle?

Empty and rinse the container. Remove metal lids (recycle both).

Plastics #1-7

Including... bottles, jugs, jars, tubs, plastic take out containers, plastic cups

How to recycle?

Empty and rinse the container.

Metal

Including... aluminum, aerosol cans, tin cans, tin foil

How to recycle?

Empty and rinse the container.
